

COFFEE IN THE GARDEN

The Southern California Horticultural Society is pleased to present an autumn tour of a popular private garden.

On Sunday, October 14, 2018 from 10:00 a.m. to 2:00 p.m., you are invited to join us for a Coffee in the Garden event at the Altadena home of landscape designer Wynne Wilson.

Wynne grew up in Southern California, surrounded by citrus and avocado groves that were planted where extensive stands of coastal sage scrub once flourished. She grew up sharing her family's concern for wildlife and its vulnerable habitat. Fighting successfully for preservation of this valuable resource has been a major part of her life's journey and family's legacy.

Through her work with her landscape firm Terra Design, Wynne is able to continue her mission – sharing knowledge, design and hopefully inspiring others. She and her creative team actively pursue projects using palettes consisting of primarily California's native plants and sustainable materials. The firm's philosophy of restoration, preservation and education are evident and beautifully displayed in her own garden, which has been featured on many garden tours over the years.

Wynne will speak at 11:00 a.m. about the evolution of her garden, and then lead us on a tour of the garden answering questions as we go along. The SCHS will be providing coffee, cold drinks and light refreshments during the event.

Registration will be required to create a list for check-in at the event.

Address & directions will be provided upon receipt of registration.

PLEASE NOTE: *No restrooms are available on-site. Also, carpooling is encouraged due to limited street parking.*
